

# Table Checklist

*From Design to Done*

Forever Redwood is a one-stop shop, integrating carpentry, design, and engineering. We look forward to guiding you to the indoor or outdoor table of your dreams!

The below checklist summarizes the entire process — from selection, to ordering, to delivery and installation.

## CONSIDER THE BIG PICTURE

When deciding on your table design, it's helpful to first reflect on a few questions:

Will the table be indoors or outdoors? Used for family gatherings or to furnish an intimate breakfast nook? Is a shade umbrella needed? Chairs or benches? Will the table remain in place or is mobility important? How about the option to fold up and store? Are there unique considerations such as extreme weather?

It's not necessary to have final answers for all of these questions. But beginning the inquiry can streamline the selection process as you browse our [picnic, dining, folding, children's, and specialty tables](#).

## EXPLORE OUR GUIDE

Download [The Ultimate Guide to Choosing Your Table](#) which highlights different table profiles, wood grades, and designs. It's a great way to find inspiration and review options and customizations.

## REQUEST A CUSTOM SOLUTION

Do you have ADA (Americans with Disabilities Act) design requirements for your table? Are you working with an irregularly shaped dining area? Have you already sketched out a custom design? Let us know! We welcome the opportunity to fulfill your custom requests.

## A SPECIAL NOTE FOR RESTAURANT OWNERS

Over the years, we've furnished countless restaurants with tables of all sizes and styles. Whether you're designing a new restaurant or replacing older tables in an existing one, our handcrafted indoor and outdoor tables will enhance the dining atmosphere for your guests. Call or email to learn more: (866) 332-2403 or [Info@foreverredwood.com](mailto:Info@foreverredwood.com).

## CALCULATE PRICING OR REQUEST A QUOTE

Determine pricing for any table by using the "Configure for Pricing" widget on the table's product webpage.

Starting with field #1, select your preference then proceed sequentially to the remaining drop-down fields.

### San Francisco Redwood Patio Table

Elegant, overbuilt solid wood tables crafted to last. Each is carefully made to your specifications and will complement any indoor/outdoor setting. Their beauty and durability is perfect for meals with friends or family for decades to come.

**Configure For Pricing** ★★★★★ Rating: 16 reviews

Starting at: **\$1,090.00**

1. SELECT SAN FRANCISCO REDWOOD PATIO LENGTH:

Choose from 3 ft (seats 2) to 15 ft (seats 14)

Depending on the table, you'll need to make three to six selections. The "Help Me Choose" links next to each field explain the options.

Once you've made your selections and generated a price, the "See Options" button is activated. This reveals additional options, such as sealant, umbrella hole, and corner style.

**To request a formal quote**, click "Add to Cart." Open the shopping cart and click "Proceed to Checkout."

From the Secure Checkout page (see below), fill in your contact information. Select "Request Quote" in the payment section, then click "Continue" to submit the request.

**Additional Options**

- Add White Glove (complete delivery and assembly of this order) for \$1,100.00.

Prefer to have us assemble your table for you? Select "Add White Glove."

If you prefer, you can also phone (866-332-2403) or email [info@foreverredwood.com](mailto:info@foreverredwood.com) to request a quote.

Want to reactivate a past quote? No problem. Just email [info@foreverredwood.com](mailto:info@foreverredwood.com) and we'll restart the process. Quote pricing is good for 60 days. Beyond this timeframe, we may have to adjust the pricing.

## CHOOSE YOUR TABLETOP (LOCATION MATTERS)

This important decision should be finalized before placing your order as it will impact the longevity of the table. The specifications for your tabletop will differ depending on whether the table will be indoors or outdoors and, if outdoors, whether it will be fully exposed to the elements.

### • Standard Tabletop Design

This design is recommended for **outdoor patio tables fully exposed to the elements**, without the protection of a balcony or shade structure with a waterproof roof. The Standard Tabletop Design features a slight separation between the wooden planks. This allows the planks to "breathe" as the weather changes. The wood can freely expand and contract with no damage to the tabletop as moisture and temperature fluctuate.

### • Seamless Tabletop Design

The design is a good option for both **indoor tables and outdoor patio tables protected by a balcony or shade structure** with a waterproof roof.

*Standard*

*Seamless*

Both Standard and Seamless Tabletops can be further customized in Old Country Tabletop Style, an old European design that features a perimeter frame with a horizontal dividing board across the center.

*Old Country - Standard Tabletop Design*

## UNDERSTAND CARE AND FINISH

Your Forever Redwood Table will last for decades in year-round weather, especially if constructed with California Redwood. But a small amount of care and maintenance is recommended to keep your table looking its best. Learn more on [our Care and Finish page](#).

## CHOOSE THE SHIPPING OPTION THAT'S RIGHT FOR YOU

We recommend our free shipping option only if you are in the early stages of planning or your project has a long lead time.

If you choose to have our team do the assembly work, we will coordinate delivery to your home or business. If you are assembling yourself and have special needs for your delivery, please let us know.

For updated shipping information please visit: <https://www.ForeverRedwood.com/shipping>

## ASSEMBLY OPTIONS—DIY OR WHITE GLOVE?

Prior to shipping, we fully assemble each table to confirm that all parts fit perfectly. The table is finely sanded (no splinters!) and ships complete with stainless steel hardware. Assembly instructions are included.

- **DIY:** To get a sense of DIY assembly, download representative assembly instructions for any table by clicking on the Assembly & Care tab located below the photos on the product webpage. If you have assembly questions, give us a ring!
- **WHITE GLOVE ASSEMBLY:** Our White Glove option is a complete onsite assembly service available anywhere in the continental United States.

50% of the assembly cost is due when the crew arrives. The balance is due when the assembly work is completed.

For a White Glove assembly quote, please call 866-332-2403 or email [info@foreverredwood.com](mailto:info@foreverredwood.com). You can also request a quote with White Glove

## PLACE YOUR ORDER

Once the design is finalized (and drawings if applicable), it's time to place your order!

A payment is due upon order submission. Orders of \$10,000 or more can be paid in full or in 3 installments. Orders under \$10,000 require full payment.

Enjoy 3% savings when you pay by wire or ACH transfer.

## FOLLOW THE BUILDING PROCESS IN REAL TIME

Once your order is submitted, the building process begins! We'll provide ongoing documentation via photos: first from the cutting and assembly rooms of our woodworking shop, then from the sanding and sealing departments, and lastly from the packaging area. Our shipping department will send tracking information once your order ships.

Good luck on your journey to the perfect table! Please let us know if we can help at any stage of the process.

We look forward to hearing more about your project. Thank you!
