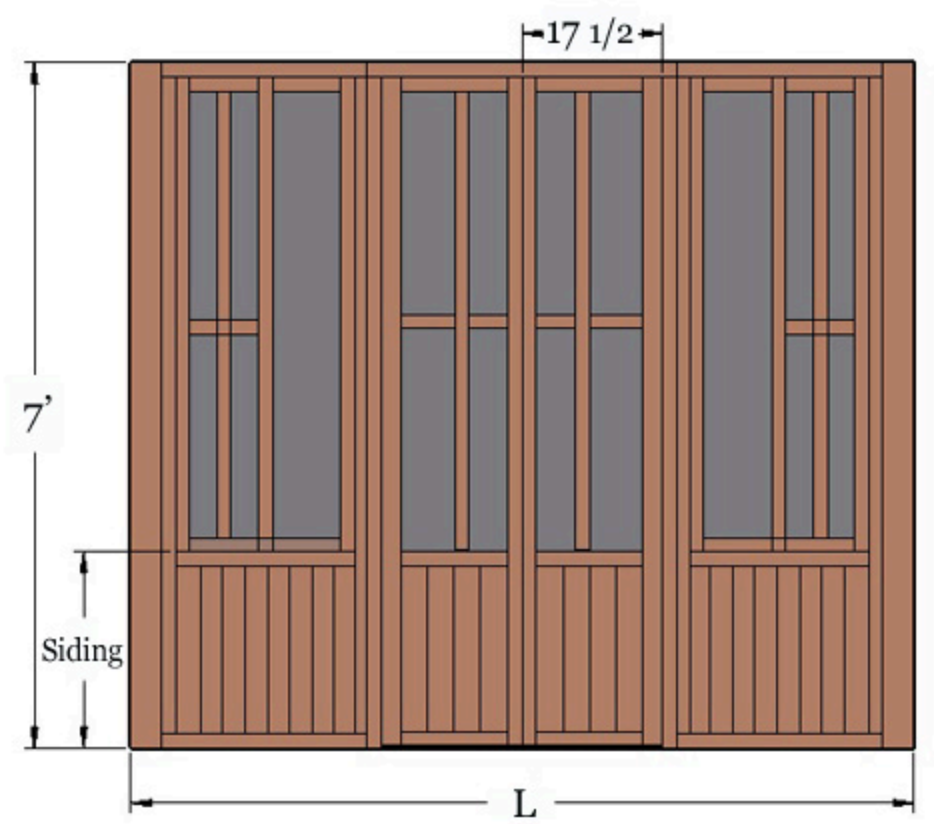
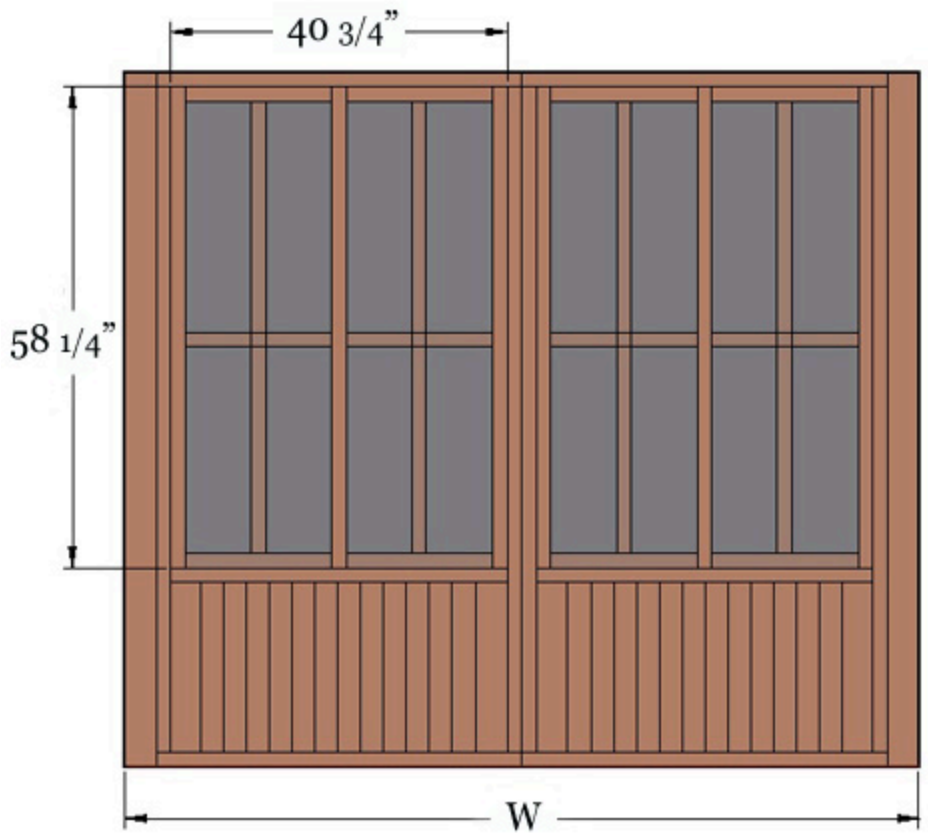
FRONTAL WALL

FRONTAL WALL

We can customize our gazebos to suit your needs. Just tell us what size and what options you want. Prior to building any Gazebo, we provide our customers with detailed drawings based on their proposed features. This allows you to review all selections and make any needed adjustments before we begin building. Our drawing process is the best way to make certain ever detail has been considered so that your Gazebo will be exactly what you dreamed of.



LATERAL WALL



MEASUREMENTS

L x W (Ft.)	Sq. Ft.	Wt. Range (Lbs.)	Std. Skylight (Ft.)
8 x 8	64	672 to 800	4 x 4
