20-Foot	228"	240"	256"

We can customize our pavilions to suit your needs. Just tell us what size and what options you want. Prior to building any Pavilions, we provide our customers with a detailed drawing based on their proposed features. This lets you review any choices made and make any needed adjustments before it is built. Drawings are a great way to make certain all details have been considered and that your Pavilion will be exactly what you dreamed of.
