Assembly Instructions for: **HEART BENCHES**

Thank you for purchasing Forever Redwood patio furniture. Forever Redwood is built by Old-Growth Again Restoration Forestry (OGA). OGA is dedicated to restoration forestry. Sales of patio furniture finance our restoration work in California redwood forestlands.

Tools required: ½-inch ratchet and a mallet or small hammer.

Boxes Content:

Quantity	Description	Drawing
1	Seat	
1	Backrest	
2	Sides	
2	Diagonal Supports	
12	Carriage Bolts 3 ½" x 5/16", Washers and Nuts	

Unpack your bench and make sure you have all the parts. The parts that go together have the same numbers written next to the predrilled holes they attach to. Align the parts with the numbers as shown for ease of reference.

Step 1: Attach side to seat, with 2 bolts (3 ½" x 5/16"), washers & nuts. Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten. Repeat this step with the other side.

Step 2: Attach backrest to sides with two bolts (3 1/2" x 5/16"), washers & nuts per side. Match the numbers written next to the predrilled holes on each piece. Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten.

Step 3: Attach diagonal support to seat and side with two bolts (3 1/2" x 5/16"), washers & nuts. Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten. Repeat this step to attach the other diagonal support to the other side.
