ASSEMBLY INSTRUCTIONS

Thank you for purchasing Forever Redwood patio furniture. Forever Redwood is built by Old-Growth Again Restoration Forestry (OGA). OGA is dedicated to restoration forestry. Sales of patio furniture finance our restoration work in California redwood forestlands.

Tools required: ½-inch ratchet and a mallet or small hammer.

Unpack your chair and make sure you have all the parts. The parts that go together have the same numbers written next to the predrilled holes they attach to. Align the parts with the numbers as shown for ease of reference.

Step 1: Attach the Arm assembly left to the Seat, with two bolts (3 ½" x 5/16"), washers & nuts. (Match up the numbers to attach the two parts together) Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten. *Repeat this step with other side.*

Step 2: Attach the Arm assembly left to the backrest, with two bolts (3 ½" x 5/16"), washers & nuts. (Match up the numbers to attach the two parts together) Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten. *Repeat this step with other side.*

Thank you. If you have any questions, please call or email us.
