ASSEMBLY INSTRUCTIONS

Thank you for purchasing Forever Redwood patio furniture. Forever Redwood is built by Old-Growth Again Restoration Forestry (OGA). OGA is dedicated to restoration forestry. Sales of patio furniture finance our restoration work in California redwood forestlands.

Tools required: ½-inch ratchet and a mallet or small hammer

The parts that go together have the same numbers written next to the predrilled holes they attach to. Align the parts with the numbers as shown for ease of reference.

STEP 1: Attach shorter wall to wall, with two bolts (2 ½" x 5/16"), washers & nuts (match the numbers written on the pieces). Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten. *Repeat this step for the other walls*

STEP 2: Attach wall to floor, with two bolts 2 ½" x 5/16", washers & nuts. Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten. *Repeat this step for the other side*

STEP 3: Attach top to wall, with deck screws. The hinges are placed in the top or wall piece, just attach to the other side.

Thank you! If you have any questions, please call or email us.
