

## Assembly Instructions for: **COCKTAIL TABLES**

Thank you for purchasing Forever Redwood patio furniture. Forever Redwood is built by Old-Growth Again Restoration Forestry (OGA). OGA is dedicated to restoration forestry. Sales of patio furniture finance our restoration work in California redwood forestlands.

**Tools required:** ½-inch ratchet and a mallet or small hammer.

**Content of Boxes:**

Quantity	Description	Drawing
1	Tabletop	
2	Legs	
1	Leg support	
12	Carriage Bolts 3 ½" x 5/16", Washers and Nuts	

The parts that go together have the same numbers written next to the predrilled holes they attach to. Align the parts with the numbers as shown for ease of reference.

**Step 1:** Attach legs to tabletop with four carriage bolts (3 1/2" x 5/16"), washers & nuts per side. Match the numbers written next to the predrilled holes on each piece. Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten.

**Step 2:** Attach leg support to legs with two carriage bolts (3 1/2" x 5/16"), washers & nuts per side. Match the numbers written next to the predrilled holes on each piece. Tap the bolt all the way into the wood to set it. Then add a washer and nut and lightly tighten.

Thank you. If you have any questions, please call or email us.
