DESCRIPTION	No
Drawer Base	1
End Panels	2
Bed Base Board	3
Side Panels	4
Drawers	5

Note: Part numbers in the Drawing are for reference only. These do not match to the numbers marked on the parts sent.

Step 1: Use 5/16" x 4" bolts (A) with washers (C) & nuts (D) to attach the end panels (2) to the drawer base (1). Each part has a series of numbers that indicate where to attach the part with the corresponding number.

Step 2: Attach the bed base board (3) to the side panels with 5/16" x 4" bolts (A), washers (C) & nuts (D). Each part has a series of numbers that indicate where to attach the part with the corresponding number.

Step 3: To attach the side panels (4) to the end panels place the 1/4"-20 x 2 3/4" Flat Head Hex Socket Connector Bolt (B) with a Hex L- Key Tool. Each part has a series of numbers that indicate where to attach the part with the corresponding number.

Step 4: Finally, place the drawers (5). Each part has a series of numbers that indicate where to attach the part with the corresponding number.

This completes the Crib Assembly. Hope you enjoy your set for many decades. If you ever have a problem or a question, don't hesitate to call us (866 332 2403) or email us. We are here to support you.
