

Assembly Instructions for: **CORNER SHOWER BENCHES**

Thank you for purchasing Forever Redwood patio furniture. Forever Redwood is built by Old-Growth Again Restoration Forestry (OGA). OGA is dedicated to restoration forestry. Sales of patio furniture finance our restoration work in California redwood forestlands.

Box Content:

Quantity	Description	Drawings
1	Top	
5	legs	
10	3 1/2" x 5/16" Carriage Bolts, Washers and Nuts	

The parts that go together have the same numbers written next to the predrilled holes they attach to. Align the parts with the numbers as shown for ease of reference

Tools required: 1/2-inch ratchet and a mallet or small hammer.

Step 1: Place the bench top upside down on a soft surface. Match the leg number to the number written next the predrilled holes on the top bench top and attach with two carriage. Align the predrilled holes; lightly tap the 2 bolts in. The bolts should tap into their holes. If you have to force a bolt, the leg is probably not oriented properly, is in the wrong hole or it is turned around. Make sure the bolts are tapped all the way into the wood, then add washers and nuts and tighten with a 1/2-inch ratchet. Do not over tighten or you'll crush the redwood and weaken the table's structure. Repeat this step to attach the other 4 legs.

Step 2: Turn your side table upside up. Done!

Thank you. If you have any questions, please call or email us.
