I. DESCRIPTION

The Punta Banda Bunk Beds are wildly overbuilt to withstand adventurous kids of all ages! No wonder they are by far our number one selling bed sets.

- **Design:** Designed with kids in mind. We use all natural materials - only wood and steel fasteners- no chemicals, plastics, make believe wood or glues.
- **Quality:** Built with safety in mind. Super strong frame; large safety rails, sturdy ladders, and with all corners widely rounded - no sharp edges.
- **Sizes:** Select a size for the top bunk and then add a bed size equal or larger below (Twin, Double, Queen or King).
- **Customize:** Select to add one or two ladders, and on which side to place them. Under More Options, you can add a headboard, and decide between standard or extra tall safety rails in the top bunk. You can also match a certain color from our stain options.
- **Assembly:** Easy assembly – ships in less than 20 parts with all hardware included.

"The restoration work (by Forever Redwood) is impressive and thorough; in particular, the way the tree planting is being done is by far the best I have seen in the Redwood region."

J. Michael Fay, National Geographic Forestry Expert

II. SPECIFICATIONS

A. Dimensions & Drawings

All beds are 76"H total to the top of the safety railings, 66"H to the top of the upper mattress framing, and 62"H to the base of the upper mattress framing. Drawers are 7 1/2"H.

The upper mattress sits inside the frame 4 1/2". The standard safety rails are exactly 10" above the frame. Depending on the thickness of the mattress you are using, this is usually sufficient. If you are using a thick mattress or would just like the safety rails to be taller, you can choose our tall safety rail option at check-out (16" instead of 10").

The Punta Banda bed does not need a box spring. The bed comes with plenty of strong Bunkie boards to support the mattress by itself. There are 47 inches of "head space" between the lower Bunkie boards where the mattress sits and the bottom edge of the upper Bunkie boards.

Each bed in the Redwood grade can support up to 750 lbs., and in Douglas-fir, up to 900 lbs. total weight.

Each bed, regardless of Mattress size or wood grade chosen, can support over 1,000 lbs. total weight if necessary. Upper bunks are designed to easily handle up to 500 lbs. capacity. If you require more weight for any reason, just let us know and we can add additional reinforcement for a small additional charge.

Bed Size	Footprint	Approx. Weight
Twin Over Twin	80" x 40"	280 lbs.
Twin over Queen	85" x 65"	340 lbs.
Double (full) over Queen	80" x 59"	320 lbs.
Double (full) Over Double (full)	85" x 65"	380 lbs.
Queen Over Queen	85" x 65	405 lbs.
King Over King	85" x 81"	425 lbs.

Please note: stated weights are approximate and may vary depending on the wood grade chosen.

Notes:

1. **Standard mattress sizes are:** Twin: 75" x 39", Double: 75" x 54", Queen: 80" x 60", and King: 80" x 76".
2. For purposes of determining the "north" end of the bed, please assume you are looking at the bed in front of you with the length of the mattresses running from left to right. The left side is North and the right side is South. Yes, it is arbitrary, but we had to pick it one way or another!

B. Ladder Options

How do I know which side is North, South, East and West? Yes, it is arbitrary, but we had to do it to figure out where our customers wanted things. See labeled photos above to determine what we are calling North, South, East and West. Please keep in mind we will prepare a drawing of your order prior to building it, so no worries if you don't get the direction correct initially. You can fix it later when you get the drawing for your feedback. Thank you.

Two Ladders, one on each end of the bed option.

One Ladder, South end of bed.

C. Headboards

How do I know which side is North, South, East and West? Yes, it is arbitrary, but we had to do it to figure out where our customers wanted things. See labeled photos above to determine what we are calling North, South, East and West. Please keep in mind we will prepare a drawing of your order prior to building it, so no worries if you don't get the direction correct initially. You can fix it later when you get the drawing for your feedback. Thank you.

No Headboard Option

Headboard Option

D. Style Headboard Options

E. Drawers Options

How do I know which side is North, South, East and West? Yes, it is arbitrary, but we had to do it to figure out where our customers wanted things. See labeled photos above to determine what we are calling North, South, East and West. Please keep in mind we will prepare a drawing of your order prior to building it, so no worries if you don't get the direction correct initially. You can fix it later when you get the drawing for your feedback. Thank you.

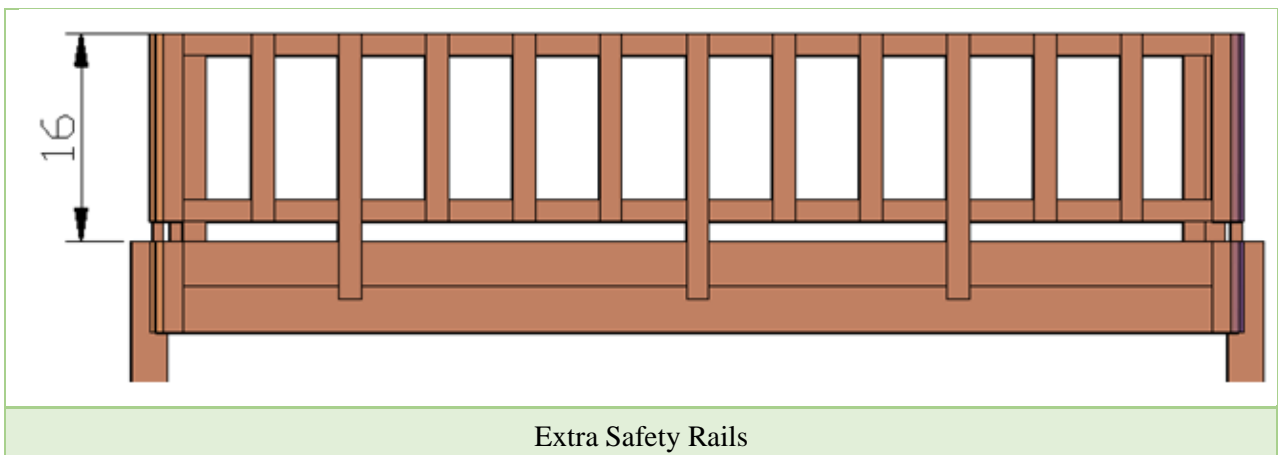

F. Safety Rail Options

Standard Safety Rails are 10" H (intended for Adults and Kids over 8 years old).

Extra Safety Rails are 16" and have the rails closer together (for all ages but especially for kids under 8 years old).

G. Finish Options

All our furniture ships finely sanded to 220 grit for a smooth to the touch finish.

The most popular finish is our Transparent Premium Sealant. This sealant leaves your furniture looking natural and helps keep the beautiful wood surface colors from fading for several years. We use Sickens brand finishes because they are the best finishes on the market. For more information about our finishes and how to keep your furniture looking great year after year, please go to: [Care & Finish.](#)

Unfinished (fine sanding only):

If you are applying your own stain or want the surface color to fade to a "weathered look" in a few months. We do not recommend you leave your furniture unfinished outdoors for any extended period regardless of wood quality. Outdoor weather changes constantly and it is best to at least seal the wood to protect it from consistently absorbing and losing moisture.

Transparent Premium Sealant - Recommended for Outdoors:

Below are the 5 grades of wood we offer with the Transparent Premium Sealant applied. The color tones shown are close representations of the color your furniture will look like. There is no extra charge for the Transparent Premium Sealant:

				
Douglas Fir (10 yr. Warranty)	Mosaic Eco-Wood (10 yr. Warranty)	Redwood (15 yr. Warranty)	Mature Redwood (20 yr. Warranty)	Old Growth Redwood (30 yr. Warranty)

We also offer the Transparent Premium Sealant with the following stains. There is a small charge for adding these stains because it increases the total amount of coats to 4 with the sealant as the final coats:

Here is the Coffee Stain looks like on Redwood.

Here is the Cherry Stain looks like on Redwood.

Tiger Stripe Effect

Douglas-Fir when stained dark creates a "tiger stripe" effect as shown in this photo. It is beautiful and most customers love it. If you are looking for a dark consistent stain and do not want to see a "tiger stripe effect", please go with any of the Redwood grades for a more consistent stain finish.

Tiger Stripe Effect

Primers

- **Off-White Oil-Based Primer:** If you are painting a light color. We apply two coats so that it is ready for one final coat.
- **Gray Oil-Based Primer:** If you are painting a darker color. We apply two coats so that it is ready for the final coat.

Custom Paints

Custom Paint Finish (go to BenjaminMoore.com):

Have Forever Redwood paint your order any color you like. We prefer to use Benjamin Moore paints because they make excellent quality products and offer a huge selection of paints and colors to choose from.

Modern Louvered Pergola – Black Stain

Benjamin Moore: Black Stain, 2131-10

First select the type of paint you want: Benjaminmoore.com

Then click the colors tab and choose from the almost endless amount of colors offered.

Just select the Custom Paint finish option and in the Comment box enter the type of paint and the name and number of the color you would like. We will confirm your custom paint request within 24 hours of receiving your order and we will order the paint for you and apply per the specified directions. You only need to let us know the type of paint and the color name and number and we will do the rest.

III. ASSEMBLY & CARE

Assembly Instructions for: [Punta Banda Bunk Beds](#)

All You Need is a Few Tools and a Friend.

Assembly is best done by two people and usually takes about half a day to a day, depending on size. Pergolas need a ratchet wrench, a hammer and a ladder to put them together. In some cases, you might need a drill to attach the posts into concrete. As with all our products, we preassemble pergolas in our shop to ensure everything fits together. All hardware is included and all parts are clearly labeled before it is shipped. We also include detailed step-by-step instructions.

Take a look at our assembly instructions below for specific details. If you plan to pour concrete to hold the posts, the project will require an additional half day prior to assembly. Please do the concrete pour a few days prior to assembly to allow the concrete to cure.

Installation Help.

Special talent is not required to re-assemble our pergolas. But, if you would like help, [just let us know](#). We have our own team for installations in California, Nevada and Southern Arizona and a network of local contractors we recommend for farther afield.

Care: Your Forever Redwood Furniture will last for decades in year-round weather without maintenance.

Depending on the wood grade you choose, even with harsh year-round outdoor conditions, you can expect your furniture to last from ten to forty years without maintenance of any kind.

Being outside year-round is rough on any woods finish. The surface absorbs UV rays, pollution, constant variations in moisture and temperature and it also oxidizes. This is why most wood just doesn't hold up and the surface color slowly changes towards a silver patina over the years. But, with Forever Redwood, you don't have to worry. The silver patina is surface deep only (less than 1/64") and is not indicative of decay. Your set will last decades and is not compromised in any way by the surface color change. For example, we keep our display items as is without refinishing to show off this natural aging (we like the patina!).

Although Forever Redwood is maintenance-free, we recommended you take a few minutes as needed to clean by either hosing down and/or brushing/dusting away accumulated debris (no soap or chemicals needed). If you'd like to keep your set looking its best for decades, please go to: [Care and Finish](#).

IV. MATERIALS

The secret to outdoor longevity begins and ends with the wood. We use generous amounts of the most decay resistant wood available. We encourage our customers to compare photos of our items side by side with any competing product. Thickness counts. Furniture that is thin and light simply won't last in the year round weather.

To keep your furniture beautiful, we use only stainless steel hardware and the highest quality stains and sealants. We use only the Sickens brand of sealants.

Our primary customer has always been the homeowner that appreciates spending a bit more for quality that will last decades.

Our products are installed with organizations that appreciate longevity like the U.S. Forest Service, U.S. military installations, State and City parks, golf clubs and hotels.

We are favored by many landscape architects and contractors because they can count on exceptional quality and quick personal service to complete projects.

We build each item by hand. This insures your set is finely finished and carefully inspected. Old-fashioned hand building also allows us to adjust the size or design of any item to fit your needs.

Because we are a forestry company, we can offer 5 exceptional wood grades to choose from our carefully managed forests with warranties of up to 30 years against decay in any weather. [Click for more about our 5 wood grades.](#)

V. WARRANTY

Wood decay is warrantied up to 30 years depending on the wood grade. No other outdoor furniture manufacturer has warranties like this. The key is the excellent quality of our wood and the extra-thick timber designs of all our pieces.

Wood Grades and Decay Warranty:

- Douglas-fir: 10 years
- Mosaic Eco-Wood: 10 years
- Redwood: 15 years
- Mature Redwood: 20 years
- Old-Growth Redwood: 30 years

Forever Redwood stands behind its products. We are committed to quickly resolving any issues that might occur. For more information please see our [Warranty](#) page.

VI. SHIPPING

We offer 4 Shipping Options in the U.S.:

- Rush Shipping (ships in 3 weeks).
- Priority Shipping (ships in 6 weeks).
- Standard Shipping (ships in 10 weeks).
- Free Shipping in the Continental U.S. (ships in 14 weeks).

Notes for Orders requiring drawings or approvals:

All Shade Structure orders (Pergolas, Pavilions, Gazebos and Arbors) require drawings to make sure all details are agreed upon prior to building and to give our customers the ability to customize their structures to meet their needs. We also sometimes make custom changes to Swings, Planters, Benches, Tables and other standard production items per customer requests. If your order has a custom detail or is a shade structure, you will receive your first drawings via email within 5 business days of receiving your completed order with a deposit.

We will go back and forth with you as needed to fine tune the design to your liking prior to building it. Once you sign off on your drawings, your timeline for shipping will begin. Please keep this in mind. If you need a Rush Order and also drawings, it is best you call in your order so that we can organize ourselves to both complete your drawings on an expedited basis and meet your shipping deadline.

Yes, you can have free shipping plus save 3% off your order! We carefully hand build each Forever Redwood item. When you choose a longer ship out date, you give us more time to build. This lowers our cost and we pass the savings to you. If you choose the Wait & Save Shipping option and prefer, we ship out on a specific date (up to 6 months in advance), just enter the date in the Comment Box at Checkout. If no note is included, we'll ship in 3 months.

Orders ship from San Diego, CA. Add 3 to 6 business days transit time (depending on location).

We ship to any country. Canada orders ship in 6 weeks. To see Canadian shipping costs, just add item to cart.

For orders outside the U.S. or Canada, just enter your country in the shipping information section at checkout or in the shopping cart to see your freight cost. We ship outside the U.S. or Canada in 6 weeks. For all international shipments, the shipping companies handle any customs paperwork and then contact you to arrange delivery.

Assembly Service Available Nationwide: All orders over \$3,000. in size can choose to have Forever Redwood assemble for you. Just choose White Glove Service in the Shopping Cart or at Checkout. For more information on White Glove, please go to: [WHITE GLOVE COMPLETE ASSEMBLY SERVICE](#)
